

## MS. POONAM SALBANDE

B.E Computer

Phone: 9359325330 | Email : [salbapoonam@gmail.com](mailto:salbapoonam@gmail.com)

LinkedIn: <https://www.linkedin.com/in/poonam-salbande>

Github: <https://github.com/Salbapoonam>

### Objective:

Dedicated Computer Engineering student with a passion for technology and problem-solving, seeking opportunities to apply skills and contribute to real-world projects.

### Education:

- Pursuing BE In Computer Engineering (2021-24)  
Government College of Engineering Research
- HSC 81.69% (2018-20)  
JTS JR College Belapur
- SSC 92% (2018)  
Keshav Govind Vidyalay Ambi

### Languages:

- English
- Marathi
- Hindi

### Skills:

- Programming Languages: Java, Python, C, C++
- Web Development: HTML, CSS, JavaScript
- Database: MySQL, Mongo DB  
Machine Learning
- Data Science, Data Analytics
- Tools: Git, GitHub

### Achievements:

- Solve 100+ Problems on [GFG](#)
- Achieved [Code Chef](#) Silver Badge
- First Prize in "Ignited Innovators of India" for the project "Financial Support to Economically Weak Students for Education"
- 4-Star Coder in C++, Python, and MySQL at [HackerRank](#)
- Our machine learning project was selected among the top 5 by Microsoft Edunet Foundation

### Experience:

- Completed a one-month internship at Let's Grow More, specializing in data science projects
- Engaged in a one-month internship at YBI Foundation, focusing on machine learning projects
- I undertook a two-month internship in web development at PHN Technology

### Projects:

- **Human Gesture Recognition System**
  - Python as programming language CNN, OpenCV libraries are used
  - Built a system that can recognize hand gestures using a webcam and Python .
  - It helps deaf and mute people communicate by translating their gestures into computer commands, making computers more user-friendly
- **Employee Management System**
  - Developed an Employee Management System with a JDBC connector for Database Management Systems.
  - The system enables users to add, delete, and update employee information, automatically syncing changes with the database, streamlining workforce management processes.
- **Personal Portfolio Website Design**
  - Designed and developed a personal portfolio website using HTML, CSS, and JavaScript. The website showcases my skills, projects, and experiences

### Certifications:

- Artificial Intelligence Certificate from Microsoft Edunet Foundation
- GIT Spoken Tutorial IIT Bombay 2022
- Python Spoken Tutorial - IIT Bombay (04/2023)
- SQL Certification from Code Chef
- Java Certification from HackerRank
- C++ Certification from Code Chef

### Interest:

- Staying Informed and Networking on LinkedIn
- Listening to Music
- Programming

### Extra-curricular:

- NSS Volunteer
- HyperVerge Student Coordinator
- I2I Competitions Campus ambassador
